*The Yearbook Of The
Graduating Class
Of June, 1947*

JOHN R. BUCHTEL HIGH SCHOOL
AKRON, OHIO

Dedication

We are 281 young men and women leaving the beautiful, carefree, sometimes painful days of adolescence and entering . . . adulthood!

We hold in our hands a diploma as a permit to shape our lives from here on in . . . And with us stand the young adults from all nations over the globe.

Our high school world . . . here in the United States . . . has been a wonderful moving world of football games and dances in the gym and meetings at noon and . . . oh yes, . . . homework. As for tomorrow . . . the future . . . we do not know. We wonder . . . but we do not know.

But this we know . . . and will do . . . It is right that we dedicate our book, as we do our lives to a tomorrow that we may meet with the same enthusiasm and youthful assurance with which we have gone through these "good" years of our lives . . . toward peace and a world as God would have it be.

May We Present . . . The Graduating Class Of 1947

Our Class Officers

Jim Beverly, Pres.

Bill Holden, V. Pres.

Chuck Knauer, Treas.

Dick Shelden, Sec.

"Carry On" . . .

As graduation nears for us, the class of June, 1947, we realize that sterner times lie ahead. These present a much greater challenge than those of former years.

Those with initiative will meet that challenge and take a ranking place in molding our country's history, but all of us must unite in tolerance, right thinking, and social responsibilities with those of greater ability to build a better world.

We are leaving Buchtel High School with regret in losing the comradeship of our classmates and the friendship and help of our very worthy teachers; yet deep within us is happiness, too, because soon we can test the abilities which we have acquired during the past four years in new fields of endeavor.

With you, the class of January, 1948, rests the privilege of carrying on the traditions of Buchtel High School, and of upholding our ideals of character, citizenship, and culture.

12B's, we, the 12A's, wish you luck.

JAMES A. BEVERLY
President '47 class

"We Will" . . .

We, the June Class of 1948, with a feeling of great pride take over the responsibilities which you, the class of 1947, have left behind.

We feel that in the past four years you have done much to further the standards of Character, Citizenship, and Culture for which Buchtel High School stands. As you go forth into the world take these ideals with you for you are the leaders of tomorrow.

We, to the best of our ability, will assume the leadership and tasks which lie before us and keep high the standard of Buchtel.

We wish you good luck and Godspeed as you depart to your many duties and tasks. We Will Carry On!

RICHARD EVERHARD,
President Class of '48

Meet our Principals, Sponsors

When we leave Buchtel for parts unknown, we take with us memories of good times and also of hard work, of kids and of teachers. Three of these memories will be Mr. Oscar Schneyer, principal, and Mr. Fred Weber and Miss Beatrice Rentschler, assistant principals. Oh yes, they bawled us out a few times for flicking assemblies and getting here at eight o'clock instead of seven-thirty, but we also got to know them as three wonderful people. None of us will forget the concertos that Mr. Schneyer played for us at announcement time, or the way Mr. Weber leaped on the stage at assemblies, or Miss Rentschler and her "hankie."

Three other memories that we will take with us are those of Miss Bertha Maier, Miss Florence Woddell, and Miss Lucile Gustafson, our class sponsors. Not only did they beat history and English into our thick heads, but they gave up their spare time to advising senior committees, chaperoning social events, and planning our graduation exercises.

All in all, there are no words which can express our appreciation to our principals and sponsors who made high school more profitable and more worthwhile.

Then, of course, we will never forget the school itself, John

R. Buchtel High School, whose familiar halls we have trod for four years. We are proud of our school. We are proud of its sports program, one of the widest offered in the city. We are proud of the championships in basketball, swimming, and golf, that we won during our stay here (we leave the football championship to be won by future generations.) We are proud of Buchtel's scholastic record, one which never fails to bring home honors in the Senior Scholastic and Kent District examinations. We are proud of the Buchtel Talon, the band, the orchestra, the Y-Teens, Hi-Y, Comwolei, Science Club, Spanish Club, Dramatic Club, Latin Club, and the glee clubs. We are proud of the Student Council, the democratic organization that rules our school. We are proud of the principals and the faculty, who made our stay in high school something to remember. We are proud of Buchtel's traditions: the Turkey Day race, the Faculty-Varsity games, the May Queen and Homecoming Queen, and King B.

Yes, we are proud of Buchtel. The school itself is not even finished structurally, but already, the youngest school in the city, the "underdog," it is a school to be reckoned with, and we will never forget the four years we spent within its portals.

and Faculty

Our Last Will and Testament.

Though April showers may bring May flowers, June brings presents and gifts to those who are leaving behind their high school days.

Therefore, we, the graduating class of June 1947, leave to those remaining in Buchtel High, more treasured things than our television radios, '48 convertibles and radar sets.

Estelle Polevoi wills her 1.Q. to Sherry Debrow and her "bad reputation" in the library to Joanne Patterson, while Bill Rodenbaugh sadly leaves memories of Miss Sexauer to anyone who can keep her happy.

Helen Dossett departs with lengthened hair, leaving behind, her featherbob to anyone who can wear it as nicely as she.

To Tommy, her younger brother, Marianne Schleuter be-

queaths her gym suit.
Martha Minck will carry on with freckles willed by Dorothy Feir.

To uphold Buchtel's tradition of true beauty, Ann Dante wills her natural curly hair to Lauralee Shea while Lois Ann Ryder wills her height to Doris MacIntyre. Phil Ferdinand wills his physical resemblance to Dick Bryant.

Jean Enderlein tried desperately to give her legs to the piano but they wouldn't have them, so Mary Catran begrudgingly accepts them.

Though she takes the memory with her, Jeanne Davis leaves the fun she had in journalism class to Alice Theis, while Betty Vaughn leaves the memory and the bad grades period.

With a spirit of good will, Bob Simpson wills Aggie's empty locker to Don Ruthenberg. Along the same line, big-hearted Dolores Armittage leaves Clyde Frampton to whoever can get him.

Edna Katz wills her passion for Mr. Reeves to Anna Mae Leeper while her better-half, Edith, parts with her tiny shoes so that Roslyn may have them for her big toe.

Fran Haramis wills her gold pin to Cheryl Miller in hopes that she can keep it. And with an added twist, Jack Eisenhart leaves Chuck Viering his five-year pin, hoping that he gets rid of it as soon as possible.

had or will do soon as possible.

Chuck Knauer leaves his teapot to Nancy Hewett but takes Nan Summer with him.

Melvin Sacks wills his empty seat in the library to Jackie Raub, who could use two of them better.

Keeping a little for himself, Bill Allison leaves his love life to anyone who can handle it. More specifically designated, Jack Carson wills his "line" to the best qualified freshie.

Note: Is there any? Signed, Anne Colley.

Martha Jeanne Hartnell and Maureen Griffin leave their locker to some unsuspecting freshie, who might do well by inheriting some of Martha's and Maureen's innocent sweet ness, too.

Larry Haberman wills his parking space to Larry Berzon. However, it might be appreciated by Mr. Reeves. You see Uncle Howard is left with Doreen Karschner's horse.

Spook Swanson's nickname ghost to anyone whoooo can "live" up to it. (Mother, get me my derby—I'm really blowing my top tonight!).

Barb Boyers leaves her position (second from the left, front row) and Mike, who is now writing a book, to Leona Wind.

To all the girls: Anne Thatcher (now Anne Thomas-Moore) leaves all her secrets of married life . . . well, maybe not all!

Leila Scheff leaves all her front seats gladly. In fact, she will sleep them rightly. Jim

In hopes that he will clean them nightly, Jim Webner will his teeth to Tom Owens, while Victor Odeh, leaves his beautiful voice to Walt Howler.

Marilyn Fichter and Dean Myers will their hall strolls to Alice Theis and Jim Ulrich. Ruth Jackson will be able to sit back and take it easy, for Pat Browne wills Ruth her numerous rides around town.

Dave Hoover wills his red paint to Dick Volk; Barb Price her seat in chemistry class to Janet Ray . . . Maybe some 1. Q. to go with it, too.

Dick Thomas wills his share at the Beach to John Basilew. Shalton inherits Gloria Jaffe's gift of a b-

DEFF

We Take a Look at 1957

"Sorry, Ma'm, the bus is full. Next tour at 4:00."
The sightseeing guide hopped onto the bus and shouted,
"OK, Jean, let's get rolling."

So Miss Ferriot stepped on the gas and the sightseers were finally on their tour of Buchtelberg, California.

"To your right is the residence of the Hartsteins, Bob and Rae, the former Miss Yelverton. On the opposite side is the home of Christine Hall, now Mrs. Dick Rossett.

We are now approaching Peterson's Paladium, where Boyd Barker is now featuring the position of head bouncer. The Paladium is now featuring Patsy Pac's orchestra with Reno Allesio at the drums and Nancy Smith at the piano playing her famous version of "Deep Purple." Other acts include vocalist Olga Koss, Pat Nelson and Johnny Coy, famous dancers, and Don "The Voice" Khoenle, doing a duet with Gloria Burnette.

And here we see Sack's Cinema where Nonnie's "Blackouts of '52" is breaking all records. You can hear Joan Vernoty singing her tiresome rendition of "Mammy" and see the world's most beautiful chorus girls: Gloria Ryan, Jean Ederlein, Helen Dossett, Carol Boedicker, Jeanne Davis, Audrey Faulkner, Bette Davis, Marilyn Fisher, and Wanda Hurley.

By the way, folks, if you happen to see some of our better citizens picking up sales tax stamps, it's just Agnes Park, Eleanor Forte, and Nan Sumner, who are still trying to paper their homes with sales tax stamps.

Now if you'll stretch your neck to the right, you'll view the charming "El Manero", run by Anne Guth, Rosemary Griffith, and Anne Patsy. Employed here is the famous palmist and hypnotist, Estelle Polevci.

"What's this?" Estelle is trying to cast a spell over Betty Vaughn because Betty knows too much. What do you say we step in and find out what some of our old friends are doing now?

"I see by my little crystal ball," says Estelle, "that many Buchtelbergers are not satisfied with Buchtelberg. Fred Deiss is in Switzerland; Betty Lou Evans, in Chicago; Pat Taylor lives on a farm in Pennsylvania; Sara Thompson, in Wickliffe." Between blushes, Estelle continues, "Dick Baumgartner is traveling salesman and Nancy Taylor is now in Hawaii."

Mike Gazella is in a town called Akron, where he has taken over Mr. Cabell's job. Windy Romweber is selling ice-boxes in Alaska. From the look of things, business isn't so hot. The crystal is becoming dim, but I can still see Marjorie Galat, Leon Hippley, Erika Schmidt and Miriam Wetzel as successful secretaries. But the cream of the crop is Ruth Rauch, who appears as St. Peter's secretary."

Incidentally, the "tea" shoppe was designed by Marily Schwab. Beverly Helper and Selma Kopkin are employed here as psychologists.

Say, isn't that Mary Alice Weller (she's playing a trombone) and Wanda Rowe serving the socialites June Swina, Natalee Conrad and Joanne Elwood? Looks like these three are making ready to go to the wrestling matches where Kast-Iron Kastner, better known as Ellen Kastner, is wrestling Crusher-Crucher, who are under the training of Gary Griffith and Al Flickinger, respectively. The wrestlers perform their art to the strains of Tootie Neiss's newly organized combo.

If we hurry, we can catch the golf matches where Pat Murphy, Tom Chapman, Janet Marr and Dick Paige are vying for top honors in the National Golf Tournament, which was won last year by Jane Shaw. Howard Pearch and Fran Pfahl are still trying. Famous in the field of golf as caddies are Dick Ransweiler, Emerson Clark, and Eugene Krug.

This is a common sight—it's Anne Colley, Marty Jones, Carol Mahan and Eleanor Somody hitch-hiking to Arabia to visit Marriane Jones. Maybe we should tell them there's an ocean.

We are now approaching Millionaire Square, where you'll find the mansions of Lois Schnitzler, Jerry Schneiderman, Dolores Oliver, Jack Jost, Dave Roth, Karl Neuwirth, and Dave Schmitz. The medieval castle in the middle belongs to Barbara Leetherman. It's now being used as a prison, where Lois Gill will end her life of crime. They caught up with her when she was holding up Jim Muir's jewelry shop.

Barbara Hood, Lois's cell mate, was taken in for illegitimate bootlegging. Ethel Stafer was punished for heading a com-

AT THE LOCKERS

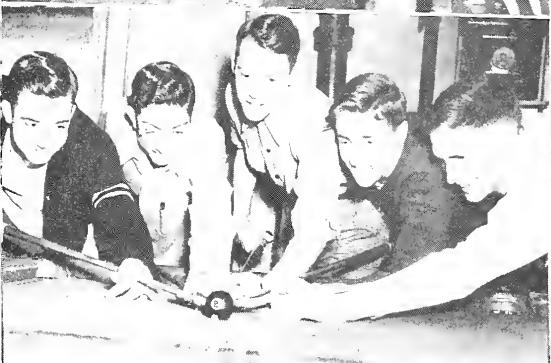

"OUT"

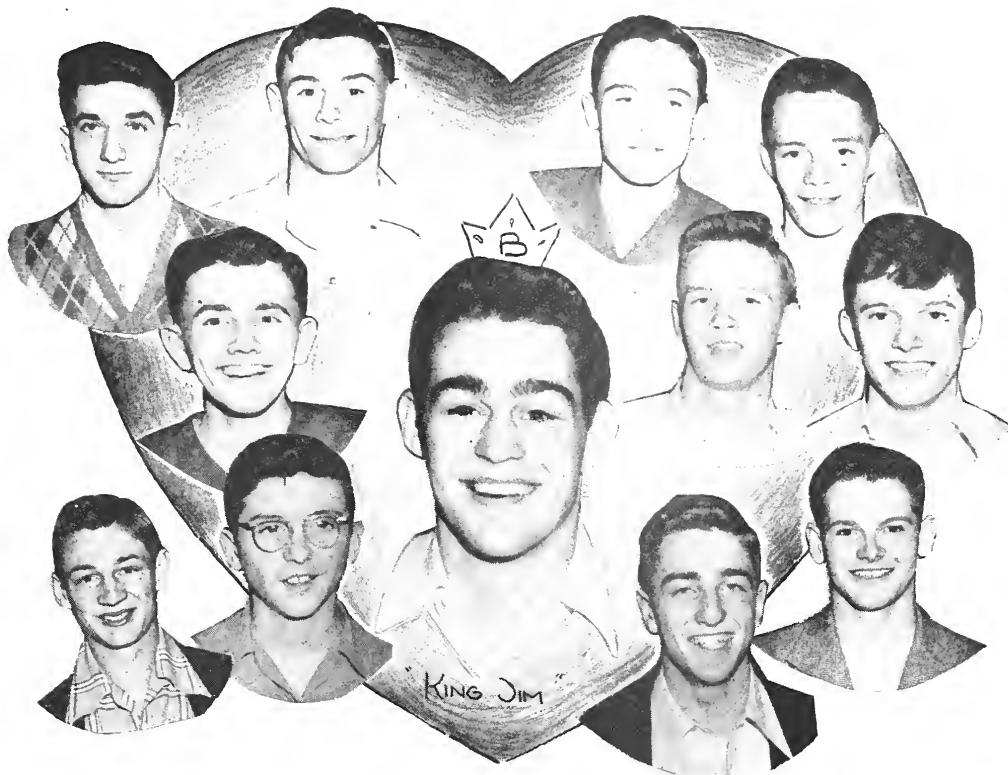

DEAR SIR . . .

Remember . . .

Buchtel's

King B Court

The 1947 King B court was crowned at the Valentine's Day Mixer on Friday, February 14, 1947. The king this year was Jim Mercer, a senior. Dick Romweber was first knight. Other knights of the court were: seniors, Jim Beverly, Tom Chapman, Vince Del Medica, and Phil Ferdinand; juniors, Dick Everhard and Bob Wilson; sophomores, Johnny Bly and Bill Liley; and freshmen, Johnny Spiegel and Christy Sarvis.

May Court

Came May Day and we chose Frances Haramis to reign as our queen. Crowned by the fair Arlene Swanson, our lovely queen was attended by Marcia Kuhike and Betty Vaughn, who acted as maids of honor. Other senior attendants were Marilyn McCreary and Mary Ann Thomas.

The juniors, represented by Charlotte Hakes and Jane Bridges, were followed in the procession by Bonnie Akins and Mary Baremore, sophomores. The freshmen showed wise judgment in their choices of Annalee Bornhofen and Joan Trichler.

We thought we were very lucky to have such a wonderful "last" May Day court.

Homecoming Court

The Homecoming Game of 1946 was against Kenmore at the Rubber Bowl on November 1. We lost the game, but it was still a gay event because the queen and her court were crowned. The 1946 queen was Joan Crutcher, a junior. She was crowned by Anne Guth, last year's queen. The attendants were: seniors, Arlene Swanson, Marilyn McCreary, and Betty Vaughn; juniors, Mary Cattan, Martha Minck, and Mary Firestone; sophomores, Jackie Borlowe and Janet Stewart; freshies, Gwynn Doyle and Carol Ward.

Royalty

Above, Fran Haramis, 1947 May Queen is crowned.

Below, Buchtel's 1946 Homecoming Queen, Joan Crutcher, and her court.

Our Activities

The Student Council

The Student Council's purpose is to represent the student body in school government. Its members are elected for a term of one year by the students themselves. The Council sponsors school dances, sells pencils, charters clubs, and gives school programs. Sponsored by L. O. Weiss, the Council is always progressively active in rounding out student body activities.

National Honor Society

National Honor Society is an honorary club whose members must be in the upper third of their class. Elected by the faculty, the members are judged on scholarship, character, leadership, and service. The president this year was Estelle Polevoi, and fifty members were inducted. N. H. S. is sponsored by O. L. Schneyer.

Sr. Y-Teens

Y -

This past year can indeed be termed successful for the Sr. Y-Teens. With Dorothy Feir as president, Miss Mabel Reidinger and Mrs. Beulah Hudson as advisers, we have partaken in many happy and worth-while activities.

The year has been one of changes, bringing with it the decision to cast aside our original title "Girl Reserves" in favor of "Y-Teens." But the original purpose of the club continues as ever, bringing new hope and happiness to girls and their families all over the world.

Jr. Y-Teens

The Jr. Y-Teens this year were headed by Carol Hodge, president, Barbara Cook, vice president, Mary Baremore, secretary, and Frances Eder, treasurer. The other members of the cabinet were Susie Thomas and Jane Collins, service; Eleanor Mann, social; Mary Hall and Jean McConnell, program; Janet Street, ring and pin; Clareene Motz and Ilse Eberstadt, devotions; Eve McKinstry, publicity; Cheryl Miller, sports and Carol Ward, music.

The Jr. Club, through the sale of stationery, contributed \$50 to the World Wide Reconstruction Fund. Their adviser is Mrs. Dorothy Schneider.

Cheerleaders

★ "Have ya got IT! Let's GO!" These very snappy words are known to every Buchtel Biffit, Booster or Backer just before an exciting football or basketball game. The contortionists that you see acting out these words are commonly known as your cheerleaders. This year, the energetic squad was composed of Joan Vernotzy, head of the squad, Rita May and Marily Schwab, seniors; Mary Jane Koury, Peggy Leupold, and Marilyn Ritchie, juniors; and Dickie Anderson our 9-year-old mascot.

★ As outstanding members of the Booster Committee and originators of the Biffs, the cheerleaders helped the school to have a really extra special rooting section.

★

Hi-Y

★ The Hi-Y organization of Buchtel is affiliated with the National Hi-Y Organization. Its meetings are held every Tuesday at the YMCA. The club has a program, or social meeting every week.

★ The purpose of Hi-Y is to create, maintain, and extend throughout the school and community high standards of Christian Character. Its sponsor is George Wetzel who succeeded Otis Maxwell this year. The organization is governed by school regulations even though it is a YMCA branch.

The Latin Club

"Non scholae sed vitae discimus", is the Latin Club motto. The purpose of Latin Club is to broaden the Latin student's knowledge of the classics and the ancient Greek and Roman civilization, in this way inspiring each student to do some creative work. The Junior Classical League key has been adopted as the Buchtel Latin Club pin.

The "Aliae Lucae" is the newspaper sponsored by the Latin Club, in which all the Latin students are encouraged to take a part. To be eligible to join Latin Club, the student must have a high scholastic average and maintain that average after joining. The Buchtel Latin Club is planning a joint meeting with West Latin Club May 27, at Camp Mingo. The officers are: Marilyn McCreary, president; Jim Graves, vice-president; Sally VonGunden, secretary; and Jean McConnell, treasurer.

Spanish Club

The Spanish Club officers this year were Marcia Kuhlik, president; Yvonne Abraham, vice-president; Helen Dossett, secretary; and Betty Ann Street, treasurer. The sponsor of the club was Miss Marie Lalli, Spanish teacher.

Last fall the Spanish club had a picnic at Camp Mingo.

In January one of the most successful and unusual dances of the year was given by the Spanish club. It was called the Cabaret dance—the Mexican Nightclub.

At the meetings movies and speakers explain the customs of the Spanish and Latin American people.

Senior . . .

"Companionship, Work, and Leisure" is the motto of Comwolei, Buchtel's service club. This year the officers were Virginia Collins, president; Anne Patsy, 1st vice-president; Bill Smithers, 2nd vice-president; Dorothy Holloway, recording secretary; Mary Cattran, corresponding secretary; and Dwight Vincent, treasurer.

Important projects of Senior Comwolei included the presentation of a portable organ to the school, Friendship Day, filling Red Cross boxes for European relief, and providing food and entertainment to the underprivileged people of the community. Miss Helen Pfahl is the adviser.

Comwolei

Junior Comwolei is the service organization of the afternoon school. Its one hundred members are recruited from the 9A, 10B, and 10A classes.

This year Comwolei has engaged in Red Cross activities, projects for local charitable organizations, handled the routine of various school collections, sponsored a successful dance, and kept an eye open for any project of benefit to Buchtel.

Its officers were Nancy Cadot, president; Joy Cohagan, vice-president; Joan Everhard, secretary; and Bruce Rockwell, treasurer.

. . . Junior

Dramatic Club

Mike and Msque started its busy year of activities by electing new officers as follows: president, Agnes Park; vice-president, June Swing; secretary, Nancy Smith; treasurer, Tom Larimore. Miss Lucille Gustafson is adviser.

Its list of programs included presentation of a play, entitled "Patrick Henry and the Frigate's Keel" for Navy Day; a Christmas program "Three Generations" at Buchtel and Bowen schools; Lincoln and Washington day radio skits and two radio dramas given at a P.T.A. meeting at Rankin school.

Anyone is eligible to join. The only qualification is a sincere interest in dramatic work.

Science Club

The officers of Buchtel High School's Science Club, this year were: Richard Pritti, president; Tom Davis, vice-president; Barbara Price, Secretary and Nan Sumner, Treasurer.

The club, which is sponsored by Mr. Howard Reeves, met every other week. The meetings featured movies, speakers, and demonstrations of a scientific nature. Also trips were taken to many industrial plants.

The Science Club also maintained a school scientific library.

It was a wonderful year for "Reeves' Raiders." There will be still better years in the future.

The Talon Staff (Upper Photo); and Reporters

Photographer
Doris Carpenter

The Talon

Buchtel high school's newspaper, *The Talon*, has now completed its 16th year of publication as the largest high school newspaper in the city.

The aims of the paper are many, centering on service to the student body and the school as a whole.

This year's executive staff was composed of Anne Guth, Editor-in-chief, Jack Martin, sports editor, Anne Patsy, feature editor, Rosemary Griffith, editorial editor, and Barbara Leatherman, news editor.

The adviser is Miss Madeline Fifer who is assisted by Mr. Ronald Switzer.

The staff and the reporters all share the feeling of accomplishment and valuable experience that comes with the final edition of any publication.

Senior Griffin

The compiling and shaping of a school annual is more than . . . a job! . . . The staff who has "created" the book you now have worked hard and long without the benefit of any previous book editing and without a secure knowledge of how much financial security was to be had.

But it is certain that the work of producing this book is one of the most valuable experiences gained throughout their entire high school careers.

The *Griffin* was edited by Anne Guth, with Anne Potsy, Jack Martin, Barbara Leatherman, working on the literary sections and Mary Alice Weller, Jim Mercer, and Bob Huston working with more than an untiring spirit on soliciting ads. Special recognition is also due to Jean Enderlein who designed the cover and Helen Dossett, Rita May, Marion Rossen, and Fred Gillespie.

An added note of thanks is extended to Doris Carpenter for her work in photographing the pictures for the book.

Outstanding

LARRY WIESS

Larry Wiess . . . valedictorian of the June 1947 graduating class!

That is an honor which many aspire for, and few attain. But in Larry's case, the honors only begin here . . . and include such things as drum-major for the Buchtel high school band for three years and drum-major for the entire city high school band for two years. And as if this wasn't enough, Larry has been accompanist for the Buchtel orchestra and glee clubs, and a member of the inter-high string trio.

May we congratulate you, Larry, and wish you the success you most certainly deserve.

NAN SUMNER

When you think of Nan Sumner you automatically think of a lively, fast-talking, friendly little gal who is very much into things around Buchtel. Nan has been on Student Council for four years and has served as secretary of the Council.

Nan is the kind of person many people like to think of as a friend . . . and also the kind of a girl that many will remember as a true Buchtelite.

Seniors

JIM BEVERLY

Jim Beverly is what you might generally call "a swell guy." For example, may we point out that Jim was president of his graduating class, was captain of both the football and basketball teams, member of the King B court and, oh yes, . . . voted "best liked" in the senior ballots.

Jim has been the backbone of many class activities and will long be remembered by his classmates as one of their "favorite people."

BOB HUSTON

Bob Huston has served as the 1946-47 Student Council president, a job which required more than a little time and patience.

Besides his presidential responsibilities, Bob has filled in his spare time hours with his football activities, (three years on the Griff team), and baseball, which he played four years.

And may we add a P.S. Bob is one of the fellows who worked long and hard to get enough advertising for this book to put it out successfully . . . for which we thank him . . . very much!

The Buchtel Band

Glee Club

Sixty girls and thirty boys from B.H.S. make up the largest combined glee club in the Akron High Schools.

These students, meeting three times each week, are found singing in many of Buchtel's major programs. This past year they have participated in the Armistice Day program, the Christmas program, the May Festivals, the Memorial Day program, and various special programs.

Larry Weiss, the official accompanist, was assisted by Jolene Canter, Barbara Dinkler, and Shirley Myers.

Mrs. Leora Stoneburner is the director.

Band

Buchtel High Band is an organization of students interested in instrumental music. They meet five days a week and practice for many special occasions.

Participation in parades, football games, music festivals and pep chapels has been given this past school year.

Music awards, under a new plan, have been given this year as follows:

- 1 year—1 service stripe
- 2 years—2 service stripes
- 3 years—3 service stripes
- 4 years—gold award.

Mr. Edwin Bonebrake is band director.

Outstanding Seniors

BILL HOLDEN

Bill Holden is one of the "life-long" members of Student Council . . . or at least, so it seems. Seriously, Bill has served on the council since he was a freshman and has worked very diligently on affairs of the group since elected.

It may seem unusual for an active student to be also a very intelligent student but such is the case where Bill is concerned, having won more than a few scholastic honors.

Bill was voted "the most likely to succeed" on the senior class ballot . . . which is what we are sure is a very true prediction.

JOAN VERNOTZY

If you hear a loud laugh behind you, turn around and it will no doubt be Joan Vernotzy. Joan, "pep" personified, was head cheerleader and chairman of the Booster Committee. She is well known at Buchtel for her seemingly perpetual vitality and her sense of humor. "Never a dull moment" Vernotzy, she is known as.

If she isn't jumping around somewhere, she can probably be found swooning to Gershwin music, which she loves. She likes to travel and hopes someday to see more of the world. She hopes to attend Miami University.

PEARL NIESS

We hereby openly and gratefully thank and commend Pearl Niess for the untiring and invaluable help she has been to her school.

"Tooty" has decorated and planned for just about every dance given at Buchtel for the last few years. She has also been active in Y-Teen for all of her four high-school years, having served on the cabinet since she was a freshman.

Pearl plans to continue her major in decoration though she isn't sure whether at Akron U., Cleveland, or New York. May we assure you, Pearl, you'll be a success no matter what you do.

DOT HOLLOWAY

If anyone has been busy during her high school life, that girl is Dorothy Holloway. Besides securing a niche in the very high scholastic ratings, Dot has contributed her services wherever help was needed; for example . . . she has been secretary of Camwalei, and social chairman of Science club, publicity chairman of Spanish club, while she has been one of the chief "poster-makers" around the school.

Dorothy plans on becoming an art teacher, and to prove her intentions, she will attend Miami University on the \$100 scholarship she has won to that institution.

Outstanding Seniors

PATSY PACE

When you hear the name Patsy Pace, you immediately think of music. Patsy has been making a name for himself in the field of music for twelve years. He started with the accordion when he was four and won three national championships. Since then he has taken up piano, trumpet, and clarinet, and plays them all with excellence. He leads his own orchestra and does all of his own arranging. He even finds time to teach piano and accordion.

He is planning to attend the Juilliard School of Music in New York next year. Probably the name of Patsy Pace will continue to be connected with music for a good many years to come.

DOROTHY FEIR

Dorothy Feir is one of the most active members of the senior class. Not only is she president of Y-Teens, that itself a big job, but she is membership chairman of Latin Club, a member of the Science Club, service chairman of Comwole, a member of the Student Council, secretary of the all-city Hi-Y-Teen council, and a member of National Honor Society. She was also president of the District Junior Red Cross. On top of all this, you know that if you ever want anything done, Dot will do it.

Next fall, Dorothy is planning to attend the University of Michigan. She hopes someday to be a doctor. If her record at Buchtel is any indication, she will be a good one.

ANNE GUTH

One of the well-known names around Buchtel is that of Anne Guth. She is probably best known as being editor-in-chief of the Buchtel Talon. She also planned and edited the Senior Griffin. She is a member of Y-Teens and president of the Inter-Club Council. She was Homecoming Queen in her junior year, and has been an attendant on many other courts since she was a freshman. She is also a member of National Honor Society.

Anne is interested in writing and her ambition is to be a short story writer. She is crazy about cats and dogs, and can usually be seen rushing somewhere. Her being voted "best liked" by the members of the senior class shows pretty well what people around here think about her.

Last Will And Testament

(Continued from Page 22)

Nick Bellios wills his parking space to Ed Stansfield and his basketball mancipation to the next fellow brave enough to take it.

Larry Weiss leaves "his" piano in the gym to Hale Schroer.

We know that Joan Crutcher will be happy to receive the school account books that Betty Ann Winter leaves her.

Marilyn Stoffer wills her dimples to Joan Petrie; Dorothy Holloway, her knack at making posters to Ann Silverman and Leisel Eisenheimer.

With Doris Redmond and Vida Belle Marcnville both leaving their height to Bev De Long, she's sure to go places.

Gloria Ryan wills her "luck of the Irish" to Laurelle Shea.

Joan McTaggart leaves her driving (?) ability to her younger sister, while Dorothy Miller wills her ability at ping pong to Eddie Krotz.

Miss Mooney inherits Bob Porter's lifetime pass on the Pennsylvania Railroad.

Clara Hercowitz wills her T-shirts to her brother, Jim; Marilyn Sholton, her strength to get up in the morning, to her sister, Lita.

Bob Sutherland leaves his chemistry papers, sports ability, and love for Miss Mooney to Bill Noall.

Betty Ann Street wills her curly hair and lonely dimple to Joan Vernotzy's kids . . . that this should happen to us, yet.

Rosemary Griffith turns over the "J. P. Nose Organization" to Clareen Motz.

Yvonne Abraham, Mildred Avramovich and Jean Beckman leave the tradition of the "Four Messy Tears" to Verna Parker.

munitistic movement in Buchtelberg. They cut off her tongue so she wouldn't be able to talk—the dogs! It's rumored that Preston Cabell was arrested for trying to put bananas in the refrigerator.

If you'll look quickly, folks, you'll see Pat McRae's prosperous bachelors home, whose president is Pat Charlton. This is where John Van Antwerp, Dick Priti, Lenny Kopelson, and Joe Schok live before they became the Bluebeards of Buchtelberg.

Now we're coming to the medical institution, donated by philanthropists, Phyllis Weygandt and Jim Graves. Head nurse, Ninalou Hart, has power over other nurses, Irene Labriola, Cathy Clayton, and Audrey Solomon. Pat Vineyard drives the hospital's ambulance, while others employed as doctors are Roger Taylor, Norm Tresser, Nick Bellios and Bob Moore. Jim Mercer has his own dentist's office here, and Mary Alice Creed is employed as a dietician.

Remember Shirley Rogers? Well, she's here at the hospital. Took some kind of concoction to make you grow . . . discovered by Bill Katzenmeyer, Ed Waltz, and Jack Marquardt. Shirley is 6 ft. 11 in. and still hasn't stopped growing.

Hear that Marjorie Bates, Ginny Collins, Rosemary Del Greco, Beverly Hall and Dorothy Holloway are patients, too. They're still trying to get their driving licenses.

"Estree—es—tree! Read all about it!"

The guide jumped out of the bus, bought a paper, and was shocked to read:

"Tod Kniffen and Bill Cook Killed In Uprising on Opium Plantation in China."

Glancing down a little further, the guide read about Bob La Pointe being chosen to run against Claghorn on the Republican ticket. Turning to the literary section, he learned that Jean Beckman won the Nobel Prize for her literary attempts, while Alice Teeple won recognition for her essays, Judy Thomasson for her novel, and Bill Holden for his autobiography, which incidentally, outsold "Forever Amber."

"I see by the radio page, folks, that we'll just be able to make the broadcast, "Housewives' Hour." Guests on the program this afternoon will be the former Kathleen Knopp, Barbara Orneroid, Marilyn Davidson, Lois Fay Shaw, Katherine Frederick, Peggy Ann Spouse, Marilyn Huggins, Judy Butcher, Lois Thompson, and Dorothy Simon, The Mistress of Ceremonies will be Sylvia Ortalino, an "old" maid.

After the broadcast we'll hop over to the football game. Bob Paige's "Seven-Come-Eleven" football—I said football—will play Nancy Keach's "Pink Sox." Bob's players are Corky Lewis, Marilyn McCrory, Euleen Stockton, Mickey Musick, Shirley Hall, Billie Cochran, Shirley Myers, Jean Stover, Dorothy Thomas, Dub Woodling and Rita Wolman. Bob is having a successful season this year. However, Noncy is threatening with Jim Walter, Dave Wiedie, Jack McGinness, Bob Huston, Paul Zelenka, Carl Nelson, Stan Regal, Bob Shutt, Jim Beverly, Bob Smith, and Tom Knapp.

If the game gets boring we can drive over to the San Francisco Opera House to hear Leonard Franklin, Nancy Bell, Jim Anderson and Dick Bock.

To the left is Bob Siddall's ginger-ale factory. Bob is still trying to compete with Gus Burkhardt's "Joy Juice" but he can't seem to get ahead. Incidentally, Gus has employed Betty Dessecker to bring back Burkhardt's brown brew bottles.

Speaking of good jobs, Lloyd Davis has finally seen his wish come true . . . to lead a dangerous life. He's the man that goes "who-o-o-oosh" on the Raleigh 903 program.

Here's the airport already—wait—what's that? Don't get excited—it's just Evelyn Goree returning from the moon on her broomstick. Evelyn and Bill Olin had a bet, which would be the first "human" to reach the moon. Neither of them could do much about it. And there's Annabelle Gauder just returning from China."

"Hi-there! Whatta' you say?"

Pufplupit—the familiar sound of the last drop of gas leaving the tank and so our last prophecy is that we'll be sitting here until next year's class comes along to tow us out—Keep 'em coming, Buchtel High!!

Football

Buchtel High School's football team went through a defeated season in 1946.

The Griffins, who had suffered the loss of several valuable players, finished the season with nothing but experience, experience which will be the foundation of the team in 1947.

The Griffins started off their season by playing the East Orientals in the Rubber Bowl football preuve, where they were beaten 7-0.

Buchtel was next the victim of Central on September 13, losing 19-0. The following week saw the Griffins facing a powerful Canton McKinley eleven. Again they were tripped 31-6.

The Wadsworth Grizzlies rolled over Buchtel 19-0 on their home field. The Vikings spanked Buchtel 31-13 on October 5. It was in this game that diminutive Chuck Bowen raced approximately 100 yards to score a touchdown.

Wooster was next. The Griffins fell 19-13 to the Generals, although it was a close game. Playing in the mud of the Rubber Bowl on October 18, Buchtel bowed to West High 25-0. The Cowboys fast backfield was mainly responsible for the defeat.

The experienced Garfield powerhouse crushed the Griffins 58-0. The Prexies later went on to become city champs.

The final game saw Buchtel playing their best game of the season against Kenmore fighting them touchdown for touchdown all the way. But, the end of the game saw Kenmore the victor by a 27-19 score.

Buchtel will lose several good players this year. Among them are Jim Beverly (capt-elect), Bob Porter, Art Weitzel, Bob Huston, Boyd Barker, Jim Mercer, Vince Del Medico, and Paul Zalenka.

The gridder's banquet was held at Spindler's Inn, where letters were awarded. The Griffins will have a host of returning lettermen on next year's squad and should develop into a good team.

Basketball

Buchtel High School's basketball squad were very successful in the 1946-47 season. Although Jim Beverly was the only returning letterman, the quintet quickly became an impressive basketball team.

The cagers started off slowly, barely edging Hower Vocational 36-34 on December 6. They next faced Girard whom they trounced 47-3.

In a thrilling game, fought closely all the way, the Griffins nosed out St. Vincents 41-37 on December 13.

The netters suffered their initial defeat at the hands of a rangy Cleveland South quintet, losing 39-37. The Griffins toppled Youngstown North 39-33 on the Buchtel floor on December 27.

The Griffins were next the victors of a contest with Kenmore, tripping the Cardinals 41-22. On January 10 they whipped the East Orientals 34-24.

Repeating their victory of the football season the Garfield High Pixies defeated Buchtel 54-38. However, it was a close game all the way until the final quarter. The height of the Vikings, of North, next defeated the Griffins 49-36 on January 24.

On January 3, the cagers barely beat the Central Wildcats 34-33. West was the next to whip Buchtel, conquering them 34-31.

The quintet spanked Youngstown Rayen 41-35, but were beaten by the wide margin of 56-22 by South High School.

Avenging an earlier defeat Buchtel put West out of the tournaments by capturing them 33-26. They surged on to sink Springfield 41-21, but were dropped from further tourney competition when they were beaten by Barberton 24-16 in a low-scoring game.

The annual banquet was held at Spindler's Inn on March 20 at which time Jim Beverly (captain-elect), Bob Porter, Jerry Davis, Dick Romweber, Dick Everhard, Paul Porosky, and Bob Wilson received varsity letters.

Buchtel will undoubtedly have a fine team next year. They will have the material and experience to win with.

Track

Coach Dave Appleby's harriers began to practice early for this spring's season. However, as the season went on the tracksters were hampered by rain as were the rest of the spring sports.

They first met South on April 11 at the Buchtel High track, where they defeated the Cavaliers 66 4/5-51 1/5.

On April 23 the Griffs romped over Central and Copley in a triangular-inset held at Buchtel. The harriers rolled up 97 points, while Central had 48, and Copley 3.

Weather halted a dual meet with East on May 3. However, the Griffs were leading the Orientals when bad weather intervened.

Saturday night, May 10, found Buchtel at the Canton McKinley relays. The Griffs capped thirteen points, to gain ninth position by placing several men. East High School won the meet with $37\frac{1}{2}$ points.

The harriers doing a "lion's share" of the work are Art Weitzel, Bob Porter, Bob White, Jim Shaw, Earl Tate, John Friess, and Jack Usnet. Bob Phelps proved to be the surprise of the season. Phelps is pole-vaulting just short of the record and is only a freshman.

Bolstered by many returning letter-men the Griffs should have an excellent season next year.

Cross Country

The Griff cross-country squad opened their season by meeting Barberton where they ran to a 24-31 loss.

Coach Dave Appleby's harriers next met Central High School whom they defeated by a 15-49 score.

Running in a quadrangular meet at Firestone Park the Griffins met Garfield, South, and Barberton; the Prexies the winners with 40 points.

East High was next to defeat Buchtel. John Holloman, breaking the record on the Goodyear Heights Metropolitan Park course, lead the Orientals to a 16-47 victory.

On October 12 the Griffins lost to North who easily copped the meet with 17 points.

In the city meet, North dethroning the former champion, East, outclassed its competition in an impressive win over Garfield, South, Buchtel, and Central. The Vikings tallied 32 points.

In the district meet it was again the North scanties, who later went on to win the state title. Bob White placed twenty-sixth in the district meet, but it was not enough to send the Griffins to Columbus.

White, who scored 12 3/7 points, was elected captain of the 1946 squad. Others who received letters are Jack Marquardt, Ernie Kraatz, Dave Geiger, Joe Conti, Tom Adams, George Allison, and Bob Smith.

Swimming

*City
Champs*

1946 - 47

Again this year Buchtel High School's swimming team copped the city championship. It was the seventh crown that the tankers had won out of nine years, which is a very excellent record.

Led by Neal Palmer, Jack Taylor, and Fred Heffner, the natators finished the 1946-47 season with an impressive string of seven victories against three defeats.

Coach John Van Sickle took over Mr. Milton Seitz's job after the latter retired. He is planning on having the championship for many more years to come.

The tankers, after practicing since September, first met South on November 9, blasting them 44-20. The second city meet found the Griff swimmers matched against a weak Hower opponent, whom they beat 55-6.

On November 30 the natators drowned the St. Vincent's Irish 56-10 and next week romped over West High School 49-16.

Falls, who finished second in the city league, proved no match for the Griffins, who basted them 44-22.

It was not until they traveled to Canton McKinley on January 17, that they met with their first defeat. The powerful Bulldogs spanked the tank team 38-28. Again, on January 28, McKinley came to the YMCA pool where they barely edged Buchtel 36-30.

The East High Orientals were conquered by the natators

44-22 and on January 20 the Griffins were beaten by a powerful Western Reserve squad 38-28.

On Saturday night, January 25, Buchtel copped the city championship by blasting Garfield 50-16.

Next was the district meet at Hudson. The Griffins placed fourth and went to Columbus the next week to cop a fifth place behind Cleveland East Tech (state-Champs), Canton McKinley, Lakewood and Fremont with fifteen points.

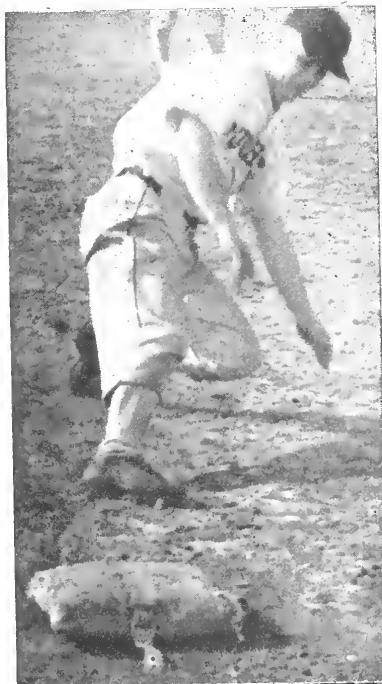

On February 15 the Griffins won the city meet by marking up 73 points. The Griffins placed well in two relay meets—Bowling Green Relays and Fenn College Relays.

Several records were broken this year by the Griff natators. Fred Heffner broke the existing league record for the 200-yard freestyle in 2:12.1. Jack Taylor smashed the 100-yard backstroke record by churning the distance in 1:03.3. Heffner also broke the 100-yard freestyle record in 56.6. Two Griff relays also broke records—the 150-yard medley, of Palmer, Taylor, and Heffner, in 1:30.2, and the 200-yard freestyle relay, of Taylor, Palmer, Heffner, and Dick Slater, swimming the distance in 1:46.2.

Other team members who received letters, besides Taylor, Heffner, Palmer, and Slater, were Jack Martin, Don Leichter, Dick Paige, Pete Bosamwarth, Bob Lombard, Frank Johnson, and Dick Bishop.

It was the most successful season ever had by the Buchtel High School swimming team.

Baseball

The Griffins baseball team wasn't too heavily favored this year, but as the season rolled on they improved greatly.

Weather hampered early spring practice drills, but not enough to keep the Griffins from beating Ashland 2-0 on April 12.

The second game of the season found Buchtel facing South, whom they beat 4-0. On April 18 the Griffins slammed a weak West opponent 10-1.

Buchtel suffered their first defeat at the hands of the East High Orientals 10-0. They retaliated by winning over Falls 5-4 in a close ball game.

The Kenmore Cardinals edged the Griffins 5-4 on April 28. May 1 found Buchtel facing a highly favored Garfield opponent but the Griffins were leading the Prexies 4-1 when rain intervened. In a return game with the Presidents Buchtel was blanked 17-1.

The surprise of the season was the lanky moundsman Dave Wiedie. He became one of the best pitchers in the city. Ralph Shirley, Ed Schepp, and Bill Lilley also pitched well for the Griffins.

In the infield for the Griffins were Dick Kesserling, Jerry Davis, Joe Starkey, and Gene Krug. In the Buchtel outfield, Dick Dickerson, Bob Wilson, and Bob Huston.

Although tennis season is not yet over it is safe to predict that Buchtel will again have a successful net team this year.

The Griffins, thus far, have an impressive string of four victories out of five starts.

The netsmen defeated Barberton, Central, Falls, Barberton; while losing to only West.

Players who have done the most to aid Buchtel in its victories are Roger Taylor, Bill Rhodenbaugh, Bill Katzenmeyer, and Larry Haberman. Others include Frank Johnson, Donald Khaenle and Norman Tresser.

★—————
Golf

★—————

At this time the Buchtel High School golf team has won all of its matches. It seems most certain that the linksters will again cop the city championship, and possibly the district championship.

Opening their title defense the Griffins defeated Cuyahoga Falls, followed by Garfield, West, and Hower. Central forfeited to the Buchtel golfers.

Paced by Dick Paige and Tom Chapman the Griff golf team is one of the most powerful teams in the state.

Other members of the golf team include Dick Bishop, Duane Isham, Larry Olcott, and Al Featherston.

WILL AND TESTAMENT—(Con't.)

any of their women becoming bald. For proof: Theodora Adams wills her black hair to Sally Tuttle; Marcia Kuhlike her long, wavy tresses to Lois Summerlot, and Marian Rossen, her long dark hair to Marilyn Nusbaum.

Elaine Sabatay can afford to leave some of her never-ceasing conversation, which she intends to do. Aggie Park wills her "accent" to anyone who can take the ribbing that goes with it.

Mary Jane Cory inherits all the vim, vigor, and vitality that Rita May exhibited as a cheerleader.

Pat Palmer bequeathes her "flashy-lashes" to Ann Nicholas, while Leanne Sharp leaves her long fingernails to Mary Stach, Joan Broadwater wills her height to Harriet Nestor; Doris Brunn, a carton of bubble gum to Ann Tillet. (What a crack).

Pinky Wells leaves her "used-to-be" flirty ways to her sister, Betty. Anne Patsy leaves a "peace of mind" to Red Stiller's and Dave Dresser's locker.

Mike Gazella bequeaths his tallness to Freddie Wheeler, who can certainly use it . . .

Jim Mercer and Bob Huston will an extra case and a bottle open to Jerry Davis and Johnny Hughes.

Jim Polshuk wills his gold inlays to the boys, so that they can make more pins. Lester Tarr leaves his I.O.U.'s to Freddie and Miss Stuckey's study hall seat to anyone who can keep his mouth shut.

Leroy VonGunter leaves one meat ball to Joe Del Greca, and Gerry Wyant, an extra four inches to Marilyn Darst.

The select few who have reserved seats next year are Bob Dyer, who inherits Bob Schmidt's seat in Gussy's room and Neal Palmer, who is willed Freddie Heffner's swivel chair in Mr. Van Sickle's class; Kay Robinson receives Ronald Penner's fun in fifth period library class and Wayne Freeman, Miss Sexauer's loving care for Bob Hochstetter.

Paul Knepp wills his parking space of H. B. to Chuck Kinkead, while Chick Campbell wills his space at B. H. S. to Dick Miller.

Don Leatherman and Jack Martin will their "way with women" to Neal Palmer. Marcella Horning leaves her ability to get into trouble in study hall to Clarence Calli.

Ralph Johnson wills 31714 to Laurel and 217 to Bill Smithers. Ruth Rauch leaves her locker to anyone brave enough to get that near to the chemistry lab.

Betty Lou Evans wills her strapless formal to anyone with suspenders; Mary Alice Weller, her trombone to Mr. Bonebreak for future use. Pete Bosomworth wills his inability to swim to some poor fishie—or freshie, that is; Vince DelMedico wills his whiskers to Jim Ulrich. Miriam Wetzel leaves her seat in the first row of Chemistry class to anyone who enjoys a stiff neck . . . no comments.

Larry Sues wills his ability to flick study halls to Willie McDermott, if he needs it; Nancy Schultz, her ability to put a car together to Mari Keegan.

Claire Smith wills her third year French to Mr. Biando; Phyllis Eidmann, all the fun she's had in Shorthand to Virginia Toffenelli and Mary Bogden.

Harvey Graves and Bob Baker will their Euclid Beach passes to Ray Sabo and Dick Bishop. Wanda Hurley will miss her walk to school, but nevertheless, offers it to anyone without corns.

Dick Distad leaves the movie projection and May Festival lighting to David Bosomworth. Joey McClelland just leaves. She's moving to Florida, you know.

To Joan Zickefoose, Jim Bacan wills his wavy hair and "sharp as a tack" brains. And speaking of little things, Tom Lehner wills his "knowledge" of chemistry to Dick Cash.

June Swing wills her letter sweater to Martha Minck.

Arthur Weitzel wills his helium-filled shotput to Phil Kodish. Tom Davis leaves Dwight Vincent his honor chair in Sarah's 6th period trix class. George Hargreaves leaves Nick Thomas and Dick Goddard an extra case.

Bill Giffels leaves his brains to the junior class to be evenly divided—"nuh to go around." Bill Peterson, leaving to join the boys at the Village, wills his recipe for the cure of hangovers to George Liebenderfer.

Jerry Sebring leaves his little black books and his "two week go-steady" routine to any deserving freshie.

Gene Krug takes his "fine whiskey" with him.

Dick Helmkamp wills his honor of "being the tallest" to Ralph Jackson, junior oversized "midget."

We thin' someone should end this, so I "will."
